

## **CURRICULUM VITAE**

### **PERSONAL INFORMATION**

Name John Thomas McElveen, Jr., M.D.  
Business Address **Carolina Ear and Hearing Clinic, P.C.**  
5900 Six Forks Road, Suite 200  
Raleigh, North Carolina 27609  
Business Phone (919) 876-HEAR (876-4327)  
Business Fax (919) 876-6800  
E-mail Address mcelveencehc@aol.com  
Date of Birth December 17, 1951  
Place of Birth Columbia, South Carolina  
Citizenship U.S.A.  
Marital Status Married, Christa McClary McElveen

### **EDUCATION**

High School Bellevue High School, Bellevue, NE,  
Graduation, 1970.  
College Davidson College, Davidson, NC (1970-1974),  
B.S. (Biology), 1974.  
Medical School University of North Carolina, Chapel Hill, NC,  
1974-1978. M.D., 1978.  
Internship University of Utah Medical Center, Salt Lake  
City, UT, 1978-1979.  
Otolaryngology Residency Stanford Medical Center, Stanford, CA,  
1979-1982.  
Post-Residency Fellowships:  
Research Fellowship in House Ear Institute, Los Angeles, CA,  
Otology & Neurotology July-December, 1982.  
Clinical Fellowship in House Ear Clinic, Inc., Los Angeles, CA,  
Otology & Neurotology January-December, 1983.

### **LICENSURE INFORMATION**

State Licenses: North Carolina, 30769, 1986 - present  
California, A34668, 1979 - present  
South Carolina, TL28531 2005 - present

DEA: North Carolina AM9017357  
South Carolina FM0107436

### Board Certification:

American Board of Otolaryngology April 3, 1984  
The American Board of Otolaryngology-Neurotology June 1, 2005-June 30, 2025

## **PROFESSIONAL EXPERIENCE**

- 1983-1987 Associate of House Ear Clinic, Inc., & House Ear Institute, Los Angeles, CA
- 1987-1993 Director of Otolaryngology and Neurotology, Duke University Medical Center, Durham, NC
- 2000-2009 Consultant Professor, Department of Surgery, Division of Otolaryngology, Duke University Medical Center, Durham, NC
- 1993-Present President of Carolina Ear and Hearing Clinic & Director of Carolina Ear Research Institute, Raleigh, NC

## **HONORS AND AWARDS**

### Davidson College:

- Vice-President of Debate Team.
- Member of Honorary Speech and Debate Society
- Editor of Literary Magazine.
- Member of Honorary Pre-med Society.

### UNC-Chapel Hill Medical School:

- Lowder Memorial Scholarship, 1976-1977 & 1977-1978.
- Residents' Teaching Award, USC Department of Otolaryngology, Los Angeles, 1986.

### Post Graduate:

- Alden H. Miller Outstanding Clinical Teaching Award 1986  
University of Southern California School of Medicine  
1986
- Certificate of Honor,  
American Academy of Otolaryngology Head and Neck Surgery,  
1990.
- Clinical Faculty Teacher of the Year Award,  
Wake Medical Center Otolaryngology Service,  
1996.
- Outstanding Service to Mankind Award  
(Sertoma International),  
1998.
- Clinical Faculty Teacher of the Year Award,  
Wake Medical Center Otolaryngology Service,  
1999.

## **PROFESSIONAL BACKGROUND**

**Hospital Appointments:** Rex Healthcare, Wake Medical Center, Duke Health Raleigh Hospital, Capital City Surgery Center, Asheville VA Hospital, Durham VA Hospital, Greenville Memorial Hospital (SC)

**Former Academic Appointments:** Clinical Assistant Professor, Department of Otolaryngology, USC School of Medicine; Clinical Assistant Professor, USC School of Dentistry; Director of Otology/Neurotology, Department of Surgery, Division of Otolaryngology, Duke University Medical Center

## **OFFICIAL POSITIONS & EDITORIAL PANELS**

President of Alumni Fellowship Group of the House Ear Institute (1992)

President of NC/SC Otolaryngology Society (1997-1998)

Otology and Neurotology Editorial Review Panel for *Otolaryngology - Head and Neck Surgery*

Otology and Neurotology Editorial Review Panel for *American Journal of Otology*

Program Advisory Committee, American Academy of Otolaryngology / Head and Neck Surgery

Instructor for Instructional Courses at the American Academy of Otolaryngology / Head and Neck Surgery

Member of North Carolina Hearing Aid Dealers and Fitters Licensing Board - Continuing Education Committee (Appointed for years 2000-June 30, 2003)

Former Chairman of the American Neurotology Society Continuing Medical Education Committee

Executive Council of the American Neurotology Society

Secretary/Treasurer of the Otosclerosis Study Group (2012-present)

Educational Consultant – Stryker Neuro Spine ENT (2013 – present)

Medical Advisory Board – EarLens

Advisory Board - OtoMed

President-Elect of the American Neurotology Society (2014-2015)

President of the American Neurotology Society (2015-2016)

## **SOCIETY MEMBERSHIPS**

American Otologic Society

American Neurotology Society

Triologic Society

North American Skull Base Society

North Carolina Medical Society

Wake County Medical Society

North Carolina Society of Otolaryngology and Maxillofacial Surgery

Alumni Fellowship Group of the House Ear Institute

## **FELLOW**

American Academy of Otolaryngology - Head and Neck Surgery

American Neurotology Society

American Otologic Society

American Triologic Society

## **RESEARCH EXPERIENCE**

Summer 1970: Set up cytogenetics lab of Dr. Ray Antley in Indianapolis, Indiana.

Prenatal determination of Down's Syndrome via Tissue Culture

Summer 1971: Continued to work with Dr. Antley attempting to shorten the incubation time for tissue cultures by using Dilantin Sodium

Summer 1973: Developed modification of Bodian stain and determined structure of Central Nervous System in *Nephila Clavipes* spider under supervision of Dr. Donald Kimmel

October-December, 1981: Using photonic sensor measured the change in tympanic membrane vibration following mastoid cavity alterations

July-December, 1982: Studied vasculature of endolymphatic sac; histologic study of traumatic neuromas; anatomical study of human cochlear nucleus

January, 1983-1987: Studied the cochlear nuclear complex and the surgical accessibility of cochlear nuclear complex for electrical stimulation with implant

1987-1993: Fluorochrome Labeling of Cochlear Bone Growth; Modifying the Translabyrinthine Approach to Preserve Hearing During Acoustic Tumor Surgery; Evaluation of Implantable Bone Conduction Hearing Device in Patients with Unilateral Sensorineural Hearing Loss

1993-present: Development of reversible canal wall down mastoidectomy; application of bone cement in otologic surgery; development of totally implantable cochlear amplifier for the treatment of sensorineural hearing loss.

August 2009-present: Investigator in Wake Research Associates' Tinnitus Study
